

Torroba-Balmori, P., Budde, K. B., Heer, K., González-Martínez, S. C., Olsson, S., Scotti-Saintagne, C., et al. (2017). Altitudinal gradients, biogeographic history and microhabitat adaptation affect fine-scale spatial genetic structure in African and Neotropical populations of an ancient tropical tree species. *PLoS ONE*, 12(8), e0182515.
